1851 Census

For the purposes of the 1851 Census (30th March 1851), the Parish of Lochbroom was divided into Enumeration Districts: each was allotted to a Census Enumerator.
The numbers in brackets (1-4 etc.) are those of the pages in the original Enumerator's Reports (*available on Scotlands People).*
See page 1 of the transcribed Report for 1851 for an explanation of the ordering in this file.

Enumeration District 2: Mr Kenneth Robertson

[Northern Part]

Clachan (24)
Letter (16-23)
Ardrean (12-15)
Reroy (11)
Blairnaleroch (6-10)
Loogie (2-5)
Altnaherie (1)

[Southern Part]

Croftown (25-30)
Achlunachan (31-37)
Achendrean (38)
Lochivroen (39)

Enumeration District 1: Mr Murdoch McLeay
[Mr McLeay was the Parish Schoolmaster]

Foigh (17)
Braemore (18-19))
Inverlaul, Lubmattock (20)

The person's place of birth is given. If none is indicated here, this means that the person was born where he or she is now living. The spelling of place-names is as in the original Enumerator's Report.
These spellings were never standardised.

← or < indicates that the same person appeared in the 1841 Census, at the given numbered position in the same township.
→ or > indicates that the same person occurs again in the 1861 Census, at the given numbered position.
w. means wife; s. means son; d. means daughter; W means widow or widower.

Census 1851 ED2, northern section:

Clachan to Altnaherie

Enumeration District 2:
'So much of the Parish of Lochbroom as lies on the S.W. side of the Big Lochbroom River, from the March of the Parish of Contin at the Fannich Hills to the Ferry of Aultnaherigh (inclusive).'

Kenneth Robertson, Enumerator; Murdo McLeay, Superintendant

In fact this Enumerator travelled from north to south, i.e. from the Ferry House to Clachan; but in order to accord with Census Returns from 1841, 1861 etc., this present file lists the 'villages' and families from south to north.

Mr Robertson, unlike many of the other Enumerators, took pains to record the peoples' place of birth.

In this file, the sign < indicates that the person is recorded in the 1841 Census; and the sign > indicates that the person is recorded in the 1861 Census. The number is that of the person or family's order in the Enumerator's listings of the relevant Village.
So for Murdo McDonald, first in the 1851 Enumerator's order for Letter, <19 means that he, and his wife and three of his sons, are recorded as living in number 19 in the 1841 List; and >31 means that he and his wife and his younger family are recorded in 1861 as living in the 31st dwelling in the Enumerator's List for Letter.
And >2 means that the Rev'd William Cameron, and his wife, are recorded again as living in dwelling number 2, in the 1861 Census Return for the Village of Clachan.
