1871 Census

For the purposes of the 1871 Census (2nd April 1871), the Parish of Lochbroom was divided into Enumeration Districts: each was allotted to a Census Enumerator.
The numbers in brackets (1-3 etc.) are those of the pages in the original Enumerator's Reports.

An extract is given from Enumeration District 5; relating to the Braemore Estate

Enumeration District 6: Mr Ken. Alex'r Macleay

page	
1-2	Crofton (1-3)
2-3	Inverbroom (4)
3-5	Achlunachan, incl. Garvan (5-7)
6-7	Achindrean (8-9)
7	Lochibraon, Fayenmore (9)

Enumeration District 7: Mr Kenneth McKenzie

1	Clachan Manse (1)
1-5	Glebe or Letter (1-8)
5-7	Ardendren (9-11)
7	Riroy (12)
8-9	Blarnalethach (13-16)
10	Loggie (17)
10	Aultnahery Ferry House (18)

The person's place of birth is given. If none is indicated here, this means that the person was born in the Parish of Lochbroom. The spelling of place-names is as in the original Enumerator's Report.
These spellings were never standardised.

The numbers 1., 2. etc. in the following lists are not in the original Census Enumerator's Reports; they give the order in which the families appear in the Reports; which presumably is the order in which the Enumerator visited the dwellings, so perhaps their spatial position on the ground.
Of course there were no street numbers.

← or < indicates that the same person appeared in the 1861 Census, at the given numbered position in the same township.
→ or > indicates that the same person appeared in the 1881 Census, at the given numbered position in the same township.

w. means wife; s. means son; d. means daughter; W means widow or widower.

The Enumerator had to record 'No. of children from 5 to 13 attending School or being educated at Home'. The School at Ardindrean opened in 1876.

For each dwelling the number of rooms with a window is recorded (though not always visible on the Enumerator's sheet). Here this number is indicated thus: .2.
