1881 Census

For the purposes of the 1881 Census (3rd April 1881), the Parish of Lochbroom was divided into Enumeration Districts: each was allotted to a Census Enumerator.
The numbers in brackets (1-2 etc.) are those of the pages in the original Enumerator's Reports.

Enumeration District 6: Mr Colin Mackenzie

Inverbroom (1-2)
Crofton (3-4)
Auchlunachan (5-6)
Achindraen (7-8)
Braemore, Lochibhraon, Glackour, Lochdrome (9-13)

Enumeration District 7: Mr John Mackenzie

Manse (1)
Letters (2-7)
Ardindrean (8-10)
Rhiroy (11-12)
Loggie (13-16)
Ferry House (16)

The person's place of birth is given. If none is indicated here, this means that the person was born in the Parish of Lochbroom. The spelling of place-names is as in the original Enumerator's Report. These spellings were never standardised.

The numbers 1., 2. etc. in the following lists are not in the original Census Enumerator's Reports; they give the order in which the families appear in the Reports; which presumably is the order in which the Enumerator visited the dwellings, so perhaps their spatial position on the ground.
Of course there were no street numbers.
→ means that the person appears again in the 1891 Census, at the position given.

w. means wife; s. means son; d. means daughter; W means widow or widower.

For each dwelling the number of rooms with a window is recorded. Here this number is indicated thus: .2.

The Enumerators recorded the number of people who spoke Gaelic (this information does not appear on the official form until 1891).
In Enumeration District 6, 173 out of 212 people spoke Gaelic;

in Enumeration District 7, 329 out of 335 people spoke Gaelic. In this file, the letter G means that the person's only language was Gaelic. Otherwise, in general people had both Gaelic and English.
