1891 Census

For the purposes of the 1891 Census (5th April 1891), the Parish of Lochbroom was divided into Enumeration Districts: each was allotted to a Census Enumerator.
The numbers in brackets (1 etc.) are those of the pages in the Enumerator's Reports.

Enumeration District 6: Mr Murdo Fraser

Foy (1)
Braemore (2)
Hill District of Braemore: Loch Drome, Lochyvroen (3)
Achindraen (4)
Garvan, Achlunachan (5-7)
Crofton (8-9)
Inverbroom (10-11)

Enumeration District 7: Mr Thomas Dawson

Clachan (1)
Letters or Glebe (1-6)
Ardindrean (7-9)
Rhiroy (10-11)
Blarnalebhach (12-14)
Loggie (15)
Aultnaharry (16)

The person's place of birth is given. If none is indicated here, this means that the person was born in the Parish of Lochbroom. The spelling of place-names is as in the original Enumerator's Report.

The numbers 1., 2. etc. in the following lists are not in the original Census Enumerator's Reports; they give the order in which the families appear in the Reports; which presumably is the order in which the Enumerator visited the dwellings, so perhaps their spatial position on the ground.
Of course there were no street numbers.
> or → means that the person appears again in the 1901 Census, at the position given. w. means wife; s. means son; d. means daughter; W means widow or widower. Also there was a column for ' Gaelic or Gaelic & English'. [Here 'G' if Gaelic.]

For each dwelling the number of rooms with a window is recorded. Here this number is indicated thus: .2.

In this Census there are new columns: Employer: Employed: Neither Employer nor Employed but working on own account.
Farm and forest workers etc. were recorded as Employed, but Crofters and Fishermen were recorded as 'working on their own account'. [Here: E; X; O.]
