1911 Census

For the purposes of the 1911 Census (2nd April 1911), the Parish of Lochbroom was divided into Enumeration Districts: each was allotted to a Census Enumerator.
The numbers in brackets (1 etc.) are those of the pages in the Enumerator's Reports.

Enumeration district 6: Mr James Matheson

Inverbroom House, Crofton, Achlunachan (1)
Achlunachan, Garvan, Foich, Glackour, Achendrean (2)
Achendrean, Fascrinach, Braemore (3)
Lochdrome, Lochivraon (4)

Enumeration District 7: Mr Wm McDonald

Clachan, Letters (1)
Letters (2-4)
Ardindrean (4-6)
Rhiroy (6)
Loggie (7)
Loggie, Loggie Farm, Ferry House (8)

The person's place of birth is given. If none is indicated here, this means that the person was born in the Parish of Lochbroom. The spelling of place-names is as in the original Enumerator's Report.

The numbers 1., 2. etc. in the following lists are not in the original Census Enumerator's Reports; they give the order in which the families appear in the Reports; which presumably is the order in which the Enumerator visited the dwellings, so perhaps their spatial position on the ground.
Of course there were no street numbers.

w. means wife; s. means son; d. means daughter; W means widow or widower.

For each dwelling the number of rooms with a window is recorded. Here this number is indicated thus: .2.

In this Census there is a column for: Employer / Employed / Neither Employer nor Employed but working on own account.
Farm and forest workers etc. were recorded as Employed, but Crofters and Fishermen were recorded as 'working on their own account'. [Here: E; X; O.]

Married Women were in this Census required to note:
Duration of Marriage: Children born Alive: Children still living.
Here this is recorded e.g. 17/5/5.
